Dear Concerned Citizens,

Thank you for your correspondence to Governor Haley. She loves hearing from constituents and certainly appreciates your ideas and concerns.

As students, being civically engaged and fostering an understanding of governmental processes at the local, state and federal levels is essential. I am happy to see that each of you have written into our office on a plethora of well-researched subjects.

I will be sure to pass them along to the appropriate staff in the Governor's Office.

I would also be happy to directly discuss the issues you addressed in your message to Governor Haley. You can reach me at 803.734.2100.

Thank you so much for contacting the Governor's Office.

Sincerely,
