I paid 100\$ for two day camp spots and the mosquitoes made it completely unbearable to be at the site. I regret this visit 100% . The mosquitoes were in full force when we arrived and were 1000x's worse as we packed up much earlier than anticipated to leave. We need never used the grill for camp site 01 and it was filthy.

Like I said \$100 for two a sites 01 and 02 and I feel completely ripped off. You better step up your game if you want to profit from families using this amenity. We have camped at several other SC parks and this day visit was totally disappointing.

Have you spoken to anyone at the park about this?

No we left and there was no one available to speak with. As we arrived there were greeters, no one as we left. We had the spot til 9pm. There is no way we could have stayed that long. Completely unbearable.
