Hi colleague,

TVEyes Media Monitoring Suite can be a powerful tool, but first you need to know how to use it. Whether you're a new customer learning the basics or a seasoned user looking to brush up on your skills, this webinar will help you develop the fundamentals.

This webinar will discuss:

- Adding simple watch terms and creating email alerts
- The two search methods and how to determine which you'll use
- Compiling and sharing reports using recommended data sets
- The TVEyes 20/20 Promise Program
