Good Monday afternoon!

My name is Molly Curley and I am a Digital Producer at WSAV in Bluffton/Savannah. Saw your post on the Hunting Island State Park sea turtle rescue & was wondering if we would be able to share your story & photos on-air and online? We would credit the photos as necessary.

Thanks,
Molly Curley

Hi, Molly. You are good to use the photos. They were taken either by park staff or SCDNR staff so you may credit South Carolina State Parks and the South Carolina Department of Natural Resources. For more information on the rescue, feel free to contact Park Ranger Megan Stegmeir who works at the Hunting Island Nature Center. Megan was our lead on this rescue and is pictured in many of the photos online. Her number is: (843)838-7437. Hope this helps. Please let me know if you need any other information.
