THE Honorable Nikki R. Haley  
Office of the Governor  
1505 Pendleton St.  
Columbia SC 2920

Dear Gov. Haley,

My name is Christopher Adam  
Hiatt. I live at 157 Tory Trail, Cowpens  
SC.

Please forgive my handwritten  
letter. I do not have access to a computer.  
My CDHA number is 101075971.  
I am writing you to see if you  
can expunge a drug charge from my  
MVR.

My Father and I were attacked by some  
gangs in April 5, 2007. My Father, who

already had prostate cancer, died from  
his injuries on Jan 6, 2008.

When he died I quit school because I  
was mad at the world.

My mother, finally talked me in to

getting my GED. She spent all her money

to send me to Tri-County tech truck driving

school, where I was the only one to pass the  
class and road test on the 1st attempt.

I applied and got a job at Quway

moving and storage. They put me to work

in May of 2013 and after 1 month I never  
got to driving they drug tested me and I failed the test.

I surrendered my CDL license

and went to counseling at SADDAC. My counselor  
wrote me a letter of release, but they would not  
renew me. I have learned my lesson. I am now

Saved and go to Baltimore Baptist.

I have applied to many trucking

companies and have been turned down  
everytime.

I understand I made a mistake.  
I went to SADAC and took all their  
classes. I AM SORRY I FAILED that test.

When I apply for a job, I AM SHUNNED.  
My mother spent all her money to pay for  
my class. ALL I WANT DO IS WORK AND  
PAY MY WAY.

I AM BEGGING you to look into this  
FOR me. All my Drug test since 2012 are clear.  
I don't have money to pay a lawyer.  
I AM honest on each application,  
But nobody will hire me.

I PRAY there is something you  
CAN DO to help me. I pray you will  
take time to read this.

Humbly Submitted
