Shoot, I didn't hear it ring. Some stats would be great though! Also do you know what the percentage of seniors in our overall SC population is? Would you mind calling my cell when you finish up with lunch?

Its 864-617-7973. Thanks!

Tried to give you a shout by phone, but got your "non-voicemail". I'm heading out to lunch in a bit, but give me a call back if you need me to try to pull any stats over here (ombudsman, SCVAGAL, etc.). Not sure what direction the LG is going, but may be easier to discuss by phone.

I would ask them about cases of abuse, neglect, and fraud. How can we help? What training needs to be provided. I will ask Hank to look for some stats.

Hey!

As you both know, the Lt. Gov. will be attending the Sheriff's Association Conference in Myrtle Beach next week on the 11<sup>th</sup> and 12<sup>th</sup>. The morning of the 12<sup>th</sup>, he will be speaking to all of the sheriffs at their business meeting and discussing the possibility of focusing more on our senior population and what that would look like (in regards to their specific needs and training ect...). Darryl, based off our meeting with the officials in Mt. Pleasant, how do you think he should present this to them? He will have about 10-15 minutes and I was thinking he could speak for about 3-5 and then open it up for discussion, asking if their departments do anything specific to reach/care for the senior community and what issues they see specifically. This would also be where he could pitch the idea of round table discussions throughout the state to cover this topic.

Do you have specific bullet points, topics or statistics regarding seniors and law enforcement he could/should cover?

Thank you!!  
Tori Beth
