Meredith,

Hope you are doing well. I left you a voicemail on this, but wanted to follow up by email as well. The Governor's office has been asked to sign off on a covenant deferral for land being passed from the Marines to N Charleston. My understanding is there will be a VCC entered into. I received a copy of the FOSET and other documentation, and everything looks okay. However, I wanted to touch base with DHEC and make sure that there are no issues of which I am not aware. The best way to reach me is by cell below.

Thanks,
