This is for July 21 - we will be flying in Black Hawks to tour McCrady and McEntire. It's not on the schedule yet, but it will be from 8:30am - 1:30pm.

Danny, will you be flying. If so, can you send me the below information along with the LG's?

Brandon, do you know who would be with LG that day and can you send me the following info for them as well?

I will forward you both the itinerary.

Thank you!

TB
