Hi Ashley – The Lt. Governor's office was wondering what time you need him to arrive at South-Tec and how long will he be expected to stay?

Thanks,  
Debbie

Hi Ashley – I just received a call from Governor McMaster's office and he has a conflict now on his schedule for October 24<sup>th</sup>. Unfortunately, he will be unable to attend the South-TEC conference in Greenville. The governor appreciates the invitation, and hopefully, the Lt. Governor can attend in his place.

Please let me know if you need assistance.

Hi Ashley – Governor McMaster can attend the South-TEC ribbon cutting on October 24<sup>th</sup> at 9:00 a.m. and speak at the kick-off.

If you can let me know if this time works for the conference and who I can work with on some questions for the governor's briefing.

Best Regards,

Invitation to SOUTH-TEC 2017 Ribbon Cutting

We would love Governor McMaster and Lt. Governor Bryant to lead the ribbon cutting ceremony and give a short speech before we kick off SOUTH-TEC 2017, October 24 at the TD Convention Center in Greenville. SOUTH-TEC is one of the largest manufacturing events in the U.S., where manufacturing ideas, processes and products that make an impact in the southeast region are highlighted through exhibits, education and networking events. The event offers attendees a unique chance to connect with resources that can solve their company's most pressing problems, improve productivity and increase profits.

Governor McMaster could kick off SOUTH-TEC by discussing the state of manufacturing in South Carolina, especially in terms of jobs and workforce development. We're open to all ideas.
