Subject: Thank you for fixing the South Carolina Transportation Infrastructure Bank!

Dear Nikki Haley (R),

Thank you for your work on a compromise to the roads bill.

Reform to the infrastructure bank is a crucial part of the roads bill. Fixing the infrastructure bank by making the State Infrastructure Bank accountable to the DOT Commission is a welcome change to the process to eliminate the parochialism ensuring the Bank uses its funds for the State of South Carolina infrastructure priorities. It is about spending our resources wisely.

The amendment to give the DOT veto power over the South Carolina Transportation Infrastructure Bank Board (STIB) selection process is an important step forward. Please continue to support STIB reform and keep the infrastructure bank accountable to the statewide planning process and the people of the State South Carolina.

Sincerely,

Michael Klein
