Dear Governor,

I have been collecting autographed photographs of significant people that have had some impact on my life over the years. These include but not limited to actors, political figures, sports players and news correspondents. With that being said, I would consider it an extreme honor to be able to have your autographed photograph included in my collection because of the great contribution you have made to your great state. Any material that you send will remain secure and will not be sold, traded or otherwise released from my control.

I am attempting to assemble an album with all the photographs of Governors from each of the fifty states.

I have recently retired after serving 37 years in law enforcement, uniformed patrol. A very rewarding career. I hope to continue to collect photographs and police related items.

Thank you for your time and if there is anything that I can assist you with in matters of mutual concern, please do not hesitate to contact me.

Respectfully Requested:

A handwritten signature in blue ink, reading "David E. McNeil". The signature is fluid and cursive, with the first name "David" and last name "McNeil" clearly legible.
