Good morning Lily. Would you be willing to check to see if the Lt. Governor is available any of the dates listed below?

I am on the State Advisory Committee on Kinship Care and worked with the Governor's office for the attached proclamation. In the Family Caregiver Program, which I manage, has a program within it for Seniors Raising Children. A large percentage of the family members that end up involved in Kinship Care are often Seniors (ie. Grandparents).

If there is any possibility for the Lt. Governor to stop in at one of the dates/locations below, let me know and we can discuss it further.

Thanks,
Elizabeth

Current research, best practices and a review of South Carolina policy and practice reveals kinship caregivers have specific resource needs that differ from foster and adoptive parents. With the success of the 2016 Kinship Care Summits, we will host a series of three Kinship Care Summits during the month of September 2017, Kinship Care Awareness Month. This year's focus will be Engaging Biological Parents with Kinship Families. Summits will run from 9:30 a.m. - 3 p.m. Lunch and Continuing Education Units will be provided for participants.
