Governor Haley,

Please support S.1016, the "Eye Care Consumer Protection Bill." This bill got overwhelming support in the House and Senate as it prohibits dangerous acts from occurring in healthcare.

I understand your interest in consumer choice and technical advances. Self-examination for a legal prescription of glasses or contact lenses is not an advance, but a step backwards. Without this support, then any patient or parent or friend could prescribe glasses or contacts for another person with is against our laws. Supporting S. 1016 helps protect our citizens.

Sincerely,

  
John & Amy Brinkley
