**Subject:** RE: What did you want from us on transportation?

Beyond the \$4.3 million in recurring money in her budget, and the "whatever's left over" suggestion, does she have any ideas for long-term funding of the state's infrastructure needs? Obviously, she disagrees with the idea of raising the gas tax, but what might she push as a way to "as St. Onge says \_ "get to good," which he says will take \$1.5 billion yearly over the next 20 years.
