Front and Center: How Courageous, Adaptive Executive and Board Leadership Makes All the Difference

Hello there,

Imagine children growing up to become the next perpetrators and victims of domestic violence. Breaking this cycle of violence is what propelled Matt Huckabay, executive director of the Center for Violence-Free Relationships, in a new direction: How could he make sure the organization was fulfilling its mission to stop the transmission of intergenerational violence?

Today, Matt is confident that the organization is on the right track. The children's program Second Generation has produced 51% reduction in personal distress, 60% reduction in physical (somatic) complaints, 25% reduction in behavioral dysfunction, and 35% decrease in their PTSD levels. Learn what kind of leadership such transformation takes. Join Matt, board chair Dr. John Moalli, and myself, Tuesday, March 22nd from 3:00-4:00 PM EST for a free webinar to find out why. <http://go.socialsolutions.com/lkCeg00093RQ0N3D00Y0P0X>
