Robin Haner Neel Can we get the 25 percent discount in addition with the senior discount my husband gets for being South Carolina senior citizen?

Peter Bendal Kear Seriously first tour in about a half an hour, posted about a half an hour before that, and for someone like us it takes an hour just to get there. It is almost as good planning as the Ultimate Outsider with the camping reservation discount being announced quite a bit before the "jumping through hoops" event where you had to visit several parks across the state to get your prize.

Esther Wagner This was posted in November. I had plenty of time to plan.

Peter Bendal Kear Esther Wagner posted where? All I saw was this announcement. Of course I have been duped by them offering a camping deal and then about a month later coming up with something that if you were camping the same weekend it would be impossible to do so I may also be biased.
