Hope,

This email address works best for me for the meantime. I know that the Lieutenant Governor would love to visit and speak at as many County conventions as his schedule will allow him to attend. We can work together going forward to narrow down the details of these events as they come available. The State Convention and the 50th anniversary of the Silver Elephant are events for which I feel confident the Lieutenant Governor will adjust his schedule. If we can schedule a time-slot for him to speak at these events, I know it will be appreciated.

As far as requests for the Lieutenant Governor to speak at other events around the state, you can send this email address to the requestor and I will work with them to fulfill those requests as efficiently as possible.

Also, I have attached a colorized and a black-and-white headshot of the Lieutenant Governor. Please let me know if you need the photo in a different format or if you need anything else regarding this matter.

Thank you for reaching out to me, I know that working with you will make events more easily accessible and easier to schedule. I am sure the Lieutenant Governor would like to make it to as many events as possible and connect with as many South Carolinians as his schedule will allow.

I look forward to working with you in the future.

Sincerely,

Hayden Grooms

Hayden,

I hope that you are doing well!

I will be your main point of contact to the SCGOP and keep you updated on the party throughout the State for Lt. Governor Bryant. We have a pretty busy schedule ahead this spring with every county holding their county convention, State Convention on May 13 and the 50th anniversary of Silver Elephant.

As soon as all of the details for the the above events are available, I will send those over to you.

There are going to be several requests from our county leaders to have Lt. Governor come and speak - who/ what contact information is best for me to give them?

Also, do y'all have an official headshot of the Lt. Governor that you can send to our office? We have official photos all of our statewide and congressional folks in our office.

Thanks and please let me know anything that you need from me.

Hope
