Thanks Swati, I heard from Cleary last night at a reception that there was “one of those secret illegal meetings on ethics late yesterday.” I’ll let you know what i hear.

And yes, I’ll do that.

Thanks Lynn! We are 4 years in and needed to get folks talking about ethics reform again and the Governor made that happen last night.

I'm not aware of a meeting on ethics. The Governor wasn't a part of one if there was a meeting. Let me know if you get more information. And I'd love it if you could make some positive comments about the Governor's calling the Senators out on social media or other outlets!

Swati,

Please relay my thanks to Governor Haley for calling out the Senate on ethics reform. I was amazed this morning to see that Todd Rutherford told the AP that it was inappropriate for her to do that without a Senate roll call vote first. Even several years in the State House didn’t prepare me for

that level of chutzpah. I wonder if he'd like to speak with his colleagues in the Senate about allowing that roll call vote.

I understand that there was a meeting late yesterday on ethics. Could you tell me anything about how that came out? I'm hoping that the Governor's remarks aren't a reflection of a very bad outcome in that meeting.

Thanks, and again, thanks to the Governor,

Lynn
