Mr. White and Mr. Walldorf,

At the request of Amy Duffy , please find attached a memo from me recounting the process the was used by the State CIO's office for the current VoIP RFP. Along with a timeline I have also outline issues that with the process and RFP. I have also listed a couple of general issues. You will also find attached a memo written by Kem Dempey and referenced in my memo.

Please let me know if you have any questions or need additional information.

Regards,

David
