Anne,

Please see the signed version of the FY 14-15 MOA for Alz Assoc respite. Let me know if you have any questions. As I mentioned before it is the exact MOA from last year. The only changes that I made were the dates/years.

Let me know if you have any questions. When Tony is ready to sign - I was thinking for the sake of time if Tony wanted to print out 2 copies, sign them both and send us back one. We would be okay with that if you all were. If not just touch base with me and we will work out another way.

Also, if Tony can fill in the date (above the signatures) that reads...

"IN WITNESS WHEREOF, the Alzheimer's Association and the Office on Aging have executed

this Agreement this the _____ day of July, 2014.

I just want to thank you, Tony, and LGOA for your valued partnership.

Hope you have a good weekend.

Sincerely,

Sam
