Not sure if you were aware of this, I did send to Dr Randawa. The leader of this group will be in Columbia as per Laura to address their church if you'd like to keep tabs on this situation.

Hi Bhavna:

The leader of my Sunday School has asked us to pray for a situation that is taking place in India in an orphanage in Pune. The orphans are at great risk of trafficking, abuse and being forced into prostitution. The situation has been weighing on my heart and soul and I feel compelled to try to do something for these vulnerable kids.

Attached is a summary of the situation. Please do not put this on social media or email this to anyone until I speak to you. Since you and Nikki Haley are both very connected I am wondering if there was somehow this situation could be impacted. Let me know when you can talk today.

Thanks,
