## CLE Webinar: Ethical Challenges with Challenging Clients

This session will use a series of case studies to examine the ethical obligations and options for an attorney faced with a client who insists on ignoring good advice and making bad choices. Topics will include: What choices can only be made by the client? What choices are left up to the attorney? How to document presenting all options, with risks and benefits and the choice made by the client When must the lawyer withdraw? When must the attorney report the client? When you should help your client find another attorney and walk away.

## About Bifocal

Bifocal is distributed six times a year to a variety of professionals interested in law and aging. It is a publication of the American Bar Association's Commission on Law and Aging, whose mission is to strengthen and secure the legal rights, dignity, autonomy, quality of life, and quality of care of elders. It carries out this mission through research, policy development, technical assistance, advocacy, education, and training on a wide range of law-related issues, including: legal services to older persons; health and long-term care; housing; professional ethical issues; Social Security, Medicare, Medicaid, and other public benefit programs; guardianship; elder abuse; health care
