Subject: State Museum Structure Change

Josh,

Please find attached the State Museum's program structure change request for FY2015. This is the same plan that the Governor approved and recommended last year that unfortunately got lost in the budget process. I have mailed you the hard copies and also sent a copy to the Budget Office, Blythe Bundrick at the House of Representatives and Grant Gibson at the Senate. If you have any questions, please let me know. Thanks, Bonnie
