Congresswoman Ileana Ros-Lehtinen, the first Latina elected to Congress, once said, "The future of this country is in the hands of women." And now, so is all of the information and inspiration you need to advance Latina political leadership and build a more reflective democracy.

Political Parity and the National Hispanic Leadership Agenda invite you to our new online portal – latinarepresent.org <<http://politicalparity.us6.list-manage1.com/track/click?u=ee16d0722af9537599b3454bf&id=8de552ceb2&e=4772f70d33>> – an innovative and interactive virtual resource for Latina advocates, candidates, and aspiring and elected leaders.

While 25 million strong, Latinas only make up barely one percent of Congress. We need more women representing their communities and country. With our new interactive and educational web forum, we'll bring together thousands more actors and advocates, expand access to groundbreaking research and tools, and inspire Latinas to get involved, stay involved, and ascend to the highest levels of public service.
