I was going to do an initial call with them and see what they needed/structure/next steps and then figure out what we needed to do from there. I have that scheduled for either this afternoon or tomorrow afternoon and will let you know what I learn.

Yeah, who does the call from the state side? Just John, or do you need Tony and/or me too? Thanks.

Dear Deputy Director Supra:

Thank you for applying to receive technical assistance from the Harvard Kennedy School Social Impact Bond Technical Assistance Lab (SIB Lab). I am pleased to inform you that our selection committee has met and chosen the state of South Carolina as one of the governments we would like to assist in the coming year.

I'd like to schedule a phone call to discuss next steps, including:

- recruiting an innovation fellow
- signing a memorandum of understanding
- coordinating with the Rockefeller Foundation on a public announcement of the selected governments
- scheduling a date for me to come to South Carolina for an in-person meeting

Alina Sellman, the SIB Lab Program Manager, will be in contact shortly to arrange a time for the phone call. I and the rest of the SIB Lab team are very much looking forward to working with you and your colleagues to develop a successful social impact bond project in South Carolina.

Sincerely,

Jeffrey Liebman
