Subject: DSS Question

---

I mentioned yesterday that I have been asked to draft a bill that adjusts the amount provided for funeral expenses for foster children. We would like to increase that amount.

My problem is that I cannot find where that amount is set - statute or regulation. The closest thing that I can find is Reg. 114-1140(C)(3) which relates to financial criteria under the Family Independence Program. I don't think this is what I am looking for (but I'm not sure) and perhaps this is what the member was referring to.

Can you have someone from DSS contact me with some direction?

Thanks.
