TIDBIT TIME! A Bird with a Backpack?

**Dianna Turman Flake** does it get better tv reception?

at 13:33:32 on 8/25/2011 UTC

**Amanda Green** How cool that one of Huntington's egrets is part of such an important study! These pics are awesome!!! Who took them?

at 13:47:16 on 8/25/2011 UTC

**Dawn Watson Weaver** Thanks for telling us about this! That's very neat!

at 14:21:56 on 8/25/2011 UTC

**South Carolina State Parks** Amanda, the photos were taken by Phil Lanoue, a frequent visitor of Huntington Beach State Park. He takes great photos!

at 14:41:17 on 8/25/2011 UTC

**Amanda Green** Thanks! Do you know anything about the egret? Do you know how old it is or if it's a male or female? How long do they generally live? It would be interesting to know how large it's range is and where it spends the winter ;-)
