Holly,

My understanding is that you have either been sent what you need or that Amber has been directed (in a recent meeting) to send this information to you. I also believe you have been forwarded our updates from DOI staff at the sites (from Barbara).

Please let me know if you don't get or have what you need and I'll do everything I can to help.

With warm regards,

Tony

I sent Amber this e-mail last night. I'm hoping she will give me a full update by the end of the day today to include number of people served so far, by location, approval and denial numbers and rates so far, by location, and any issues encountered. Going forward, I would like to have these reports daily and include them in the Governor's briefing.

Amber,

I want to make sure we keep the Governor apprised of the DSNAP program. Tomorrow, can you tell me so far how many have been served by county, number approved by county, approval/denial rate per county and any issues encountered by location. Also, can you tell me of any fraud detection or prevention safeguards that are in place. Susan told me about 8 medical incidents today at Richland and people arriving at 2:00 am. Those are the types of things we would like to know about.

Going forward, please provide this info to me daily until we wrap it up, so I can include in the Governor's daily briefing.

Thanks, Holly
