Subject: media interview request

Hello. I'd like to set up a recorded telephone interview with Mr. Bryant regarding the \$100,00 that could be transferred to senior services from his administrative budget. I am in the newsroom most days from 8:30 am until 4:30 pm. You can have Mr. Bryant contact me at his convenience or we can arrange a specific time. He can call 803-790-4300.
