Here are the draft points for Monday. Both documents have the same content...the PDF version is just in case the Word version's formatting gets garbled in transmission.

She could pick whichever items she wants to emphasize from page 2. For instance, I suspect she won't want to do the Task Force, since she generally doesn't like those.

Copying Lillian and Leigh because even though these aren't "final" until after Doug tweaks them, I wanted to give both of you a chance to see them, since we're coming up a little tight against the Monday showtime. Thanks.
