

When T. V. ten and miss Todd
remarked about the Governor
having her children in
private schools. I wrote
to her and told her sh had
"Crossed the line".

Now if the Governor
could return the favor and
either send an apple by
her daughter to her teacher
at River Bluff, my son
Coach Bill Bacon or give
him a hug on; parents day
to make him relax, we
will be even.

Sorry he had to change
her plans. Bill does not know
about this.
I am 83 yrs old and shakey as you see
can't hold a pen
