Nikki Haley on BBC World - U.K. National

03/30/2015 02:53:22

World Business Report (News)

... nothing for the list of praise for the wallpaper of the 8 seasons without any european  
5th of 5 of the principality he would be true nikki haley side a 5th day of their and i and i  
are known both for a 4th straight here have i been he met a in if any final in 1998 years  
i won i won the war one effective and in light of the further north but his affair as well ...
