

South Carolina Association of Student Councils

Dear Governor Haley,

My name is Jimmy Masalin and I currently serve as president of the South Carolina Association of Student Councils, or SCASC. Every year, SCASC brings young leaders and their advisors from high schools all across South Carolina together for a weekend at the SCASC President's high school, called the State Convention. The purpose of this convention is to allow the attendees to further their leadership skills and abilities and share ideas to take back to their own schools through fellowship.

This year, the convention will be held at Wando High School from March 20, 2015 to March 22, 2015 and I would like to invite you to attend! It would be such an honor if you could attend the convention and say a couple words during the first general session on March 20. These young leaders being able to hear the leader of the state they live in would be an incredible experience. Please let me know if you can attend by sending a letter back to the return address, emailing me at jmasalin21@gmail.com, or calling me at (904)333-4466. If you cannot attend, I completely understand. Thank you for your time and your service to our state!

Sincerely,
