Well that was interesting, we emailed each other at the same time. I'll take care of it.

Good Morning Danny,

Ms. Holt called our office this morning, she had apparently spoken to Hayden at some point and had been trying to contact him up until today. She was calling to confirm that he would be speaking. I asked her to email the information so I could forward it to you for response.

Good morning,

It was nice speaking with you.

Attached is the Agenda for our 11th Annual CDCA Defense Summit along with the official letter of invitation.

We would love to have Lt Governor Bryant give a "SC Welcome" to our over 1,000 government and industry attendees.

I am happy to answer any questions you may have and look forward to hearing from you.

Very Respectfully,

Cynthia
