Subject: Soda Taxes

Dear Gov. Nikki R. Haley,

I am 100% percent opposed to local governments taxing soft drinks. The American people do not need the government encroaching any more into our daily lives. You can not legislate common sense. Regardless, people will still choose to drink whatever they prefer, and this will be just another way to tax the people, and it would be even more unfair to the poorer people in our local communities. Yes, it could then possibly lead to taxes on anything the government deems "unhealthy" for us! Where would it end? Scary to think about!

Sincerely,

Mr. Tanya Sari
