1. **File 23.299A / Road / Route-Interstate I-185/ Greenville County**

During construction of improvements on Interstate I-185, under File 23.299A in Greenville County, near the City of Greenville, the Department acquired right of way for Interstate I-185, by Title to Real Estate from O. Richard & Lula M. Cothran dated April 15, 1999.

While negotiating with Michael T. Ayers, PAN Inc. and the department agreed to quitclaim the remainder of Tract 78 to the adjacent property owner as part of the settlement for the new right of way that was acquired from the grantee for this project. Therefore, a Gratis Quitclaim Deed for approximately 6.027 acres of land to Michael T. Ayers was executed on June 18, 2001.

2. **File 23.246A/ Road/ Route I-85/ Greenville County**

During construction of improvements on I-85, under File 23.246A in Greenville County, near the City of Greenville, the Department acquired right of way for I-85, by Title to Real Estate from T.O.C. Retail, Inc. dated March 29, 1994.

During negotiations to settle a difficult Condemnation case, the Department agreed to Quitclaim a small remainder of Tract 219 to the adjacent property owner. Therefore, a Gratis Quitclaim Deed for approximately .006 acre of land to Bobbie A. Schmauch was executed on June 22, 2001.

3. **File 26.856/ SC Route 905/ Horry County**

During construction of improvements on SC Route 905, under File 26.856 in Horry County, near the Town of Simpson Creek, the Department acquired right of way for SC Route 905, by Title to Real Estate from Hazel Shackelford a/k/a Hazel Adams dated January 27, 1999.

In acquiring new right of way by PAN Inc., the consultant on the Conway Bypass project, the entire tract was acquired from the above owner. It was agreed that the family and Grantee could purchase any remainder of the property upon completion of construction at an agreed value. Therefore, a Quitclaim Deed for approximately 0.47 of an acre of land to Howard Randall Adams in consideration of \$30, 000.00 was executed on June 22, 2001.

4. **File 23.299A/ Route I-185 (Southern Connector)/Greenville County**

During construction of improvements on I-185 (Southern Connector), under File 23.299A in Greenville County, near the Town of Greenville, the Department acquired right of way for I-185 (Southern Connector), by Condemnation from J. Alvin Gilreath dated May 5, 1999.

A request was received from an adjacent property owner to purchase a small piece of surplus property, which is landlocked within the adjacent property owner's tract 43.

This property is currently outside a control of access fence and would not be required for a possible widening of I-185 (Southern Connector) in the future. Therefore, a Quitclaim Deed for approximately 0.64 of an acre of land to Greenville County Research and Technology Development Corporation in consideration of \$16,000.00 was executed on June 19, 2001.

5. **File 26.856/ Route Conway Bypass/Horry County**

During construction of improvements on the Conway Bypass, under File 26.856 in Horry County, near the City of North Myrtle Beach, the Department acquired right of way for Conway Bypass by Condemnation from Burroughs & Collins Company dated May 20, 1996.

While negotiating to settle a difficult Condemnation case, the Department agreed to provide the condemnee an option to purchase any remainder of Tract 51. The condemnee has now given notice to the Legal Section to exercise their option and has since assigned all of their right under the agreement to Myrtle Beach Farms, Inc. (a companion entity). Therefore, a Quitclaim Deed for approximately 15.20 acres of land to Myrtle Beach Farms, Inc. in consideration of \$207,476.20 was executed on June 26, 2001.

6. **File 10.162A/ Road/Route US Route 17/ Charleston County**

During construction of improvements on the US Route 17, under File 10.162A in Charleston County, near the City of Charleston, the Department acquired right of way for US Route 17 by Title to Real Estate from Lockwood Associates, a South Carolina Partnership dated January 30, 1989.

A request was received from the adjacent owners to purchase a small parcel of land which is landlocked by a new control of access. The property has been circulated to the Engineering sections and it was determined to be surplus. Therefore, a Quitclaim Deed and the transaction for approximately 0.14 of an acre of land to 150 Bee Street, LLC in consideration of \$122, 000.00 was closed in escrow on June 29, 2001.

7. **File 23.299A/ Road/Route I-185 (Southern Connector) Greenville County**

During construction of improvements on the Southern Connector, under File 23.299A in Greenville County, near the Town of Greenville, the Department acquired right of way for the Southern Connector, by Condemnation from Donald Ray Davis et al dated December 31, 1998.

While negotiating for new right of way between Martha Alice Corn and Property Acquisitions and Negotiations, Inc. (the right of way consultant for this project), a settlement was reached whereby Martha Alice Corn would be deeded the remainder of Tract 133. Therefore, a Gratis Quitclaim Deed for approximately 0.95 of an acre of land to Martha Alice Corn was executed on July 9, 2001.

8. **File 15.535/ Road/Route SC Route 64 / Colleton County**

During construction of improvements on the S.C. Route 64, under Project No. 105-Reop. In Colleton County, in the City of Walterboro, the Department acquired right of way for S.C. Route 64, by Deeds to Right of Way dated January 16, 1931 from S. W. Hiott and Mrs. Josie Hiott and dated February 3, 1931 from M. H. Hiott.

At the request of the adjacent owner to obtain approximately 0.29 of an acre of property, created by the relocation and reconfiguration of S.C. Route 64, it was determined by the Engineering sections that the parcel was surplus to the Department's needs. Therefore, in consideration of the considerable loss of frontage and exposure plus the change in access suffered by the property owner as well as the expense to be incurred by the owner in relocating the sidewalk, a quitclaim deed for approximately 0.29 of an acre of land to Peter Dubin was executed on July 9, 2001.
