Subject: Forbes post on Anti-Radiation Underwear

---

Hi folks,

I just had to tackle this one!

Fukushima Anti-Radioactive Underwear -- Really?

Yamamoto Corporation will soon be selling anti-radiation underwear and swimwear that can "stop nearly 100 percent of beta rays." Yeah, well the clothes I wore today to the Mall can do that, too. But marketing to scared people does seem to work.

PS - Richard Rhodes gave a smashing lecture here at Hanford this weekend, on the 70th anniversary.
