Nikki Haley on WAGT (NBC) - Augusta, GA

03/05/2015 05:06:36

NBC 26 Today (News)

... last years ice storm cost aiken county more than 30 million dollars.and although they were reimbursed by fema...the state was supposed to put in the rest.. but when nbc 26 checked - we found south carolina governor nikki haley did not include the six million dollars in next year's budget.. in a statement, haley's office says "the governor's recommendation last year to provide this funding for local governments supplemented her fy 2014-15 executive budget proposal which was released before the winter storms affected south carolina, and the general assembly chose not to support this proposal. accordingly, the recommendation was not included ...
