Attachments: Draft Report - Oct. 17, 2013 Full Review Copy.docx

Good Afternoon,

Attached please find a DRAFT of the Utility Relocation Study Committee Report. Please review and provide comments, corrections, and critiques as you see fit. I need to have your input no later than **Monday, November 04, 2013 at close of business**. If I don't hear from you by that time, your complete concurrence is assumed.

Please keep this draft confidential until the entire Committee has had a chance to review it and provide comments and consolidation. I appreciate your work on the Committee and your time in reviewing this lengthy, but important document. Please let me know if you have any questions.

Thanks,

Charlie Gray
