## South Carolina State Parks

at 17:12:55 on 6/09/2021 UTC

It's another #WildlifeWednesday and we've got more activity on the Myrtle Beach State Park trailcam! This time it's an otter! Watch as it bounds by the camera and slips off for a swim in the distance!

### Wildlife Wednesday - Otter on Myrtle Beach Trailcam

**Jana Goodwin Gambrell** I will never forget seeing otter for the 1st time in the wild at sesquicentennial state park. It was June's first doctor visit after being born. We drove down the driveway and I was sitting in the back with june and I looked over an they were swimming so cool!
