Becky - I just conferred with Tony. The proposed deletions from Andy should not be deleted, because they are part of the redline. However, we do need section I (one) K to be scrubbed and then recirculated. -Amanda

Yes-these are just making the changes that were in the comments. I had left the numbers for everyone to see and added the new numbers.

Hi Becky,

I think the Appendix is a great addition. A few comments on agreement:

1. period start date language is good
2. p 5, III.A.: delete "(120)" in "... the Monitors shall have sixty (60) (120) days to produce ..."
3. p 5, III.A.: delete "(21)" in "the parties shall have fourteen (14) (21) days to submit ..."
4. I like the changes to III.B, clarifying delegation.
5. Very good safeguard: "M. The Monitors may meet privately with the Court concerning issues related to this case, provided both Monitors are present and the parties are made aware of the occurrence and subject of such meetings."
6. Much better on IV.A.1: "the foster care Workload Study"
7. Much better on IV.C (if Ps agree): "Referral of Institutional Abuse or Neglect"
8. That's a much more generous IV.C.f target: "(f) Timely Completion of All Investigations Within 90 days. At least 95% of all investigations of a Referral of Institutional Abuse or Neglect shall be completed within 90 days."
9. I like the changes to IV.E. Congregate Care Placements
10. Good catch switching V.B. from achievement to substantial compliance

Have a great weekend,

Andy
