I do not have an Instagram account and this email address is used only for Facebook. Is Facebook selling a list of email addresses ill legally?

This email address is who used to access only Facebook. So how am I getting overwhelming amounts of pornographic emails? Some of these emailed are aimed at children? How can we stop this? I have forwarded hundreds to [abuse@yahoo.com](mailto:abuse@yahoo.com) and the problem gets worse!

Nikki Haley, I'm asking you to get involved or assign someone to help!

Thank you,  
Julia Wyrick
