Subject: Request

---

Chaney,

This is Colby Gallagher with News19. I am looking to get an interview with Governor Haley regarding her planned endorsement of Marco Rubio. I know it is not official, but wanted to put in the request. If she's not available before the event in Chapin, could we please have a statement regarding this decision?

You can reach me at 803-331-2868.

Thanks,  
Colby Gallagher
