FYI,

CVO contacted Ms. Randall she does not want to speak to them. She says she will talk to the Governor only and is going public with her story (sexual assault SC National Guard). Let me know if you need anything from us.

Good afternoon Ms. Santiago, I understand you would like for me to call you. I also understand you work for the crime victims department. No disrespect to you or your department but I prefer not to contact you. I have tried to come forward with what happened and just kept getting treated like I was the one in the wrong or the individuals would protect the other person. I'm going public with my story. All I truly want is to speak with Governor Haley, no one else. ----- Original Message -----
