The Honorable Malu Dreyer  
Minister-President

Dear Minister-President Dreyer,

Thank you for your recent correspondence concerning the historic flood that occurred throughout South Carolina.

Our state and her citizens have faced many challenges this year but, as always, South Carolinians step up during difficult times with love, compassion, and faith. As we recover from our losses, we also come together to rebuild, and I want to personally thank you for your words of encouragement. We appreciate the kind thoughts from our friends in Rheinland-Pfalz.

Through these tragic times we have seen our communities face extreme hardship, yet we always see our first responders and public servants at the forefront, neighbors helping neighbors, and volunteers giving their time and donations to help serve others. This is Team South Carolina, and this is what we do best.

Again, thank you for supporting South Carolina. God bless.

My very best,
