Katherine,

Sounds good. We can do that or we can all go out on the boat and head to Daufuskie or something. Either way, keep in touch. Let us know if we can help down here in the Low Country. I will make sure and pass along the video we do for the concert that night. So far it is one of the best we have done, I am super excited for people to see it. Talk to you soon.

It was great running into you on Tuesday! Palmetto Bluff is a special place.
Your website is amazing! I will definitely pass it along.
Let's catch up when I'm home next. We can go see Jake at Cheap Seats.
Thanks for the support.

Katherine,

It was great running into you yesterday. I hope the rest of your trip goes awesome. Palmetto Bluff is an amazing spot to be. I just wanted to stop in and get you my contact information and pass along the website for our Drone Business. If I can ever be of service in any way, please let me know. Have a great week and good luck with the election.
