I don't remember where we left it, but we have talked about sending a letter from the governor to federal officials on this issue. If that letter went out - and I apologize for not having a better memory - will someone send it over to Chaney and me? I'd like to be able to look at any previously used/approved language from our office on this issue to guide our feedback on the release referenced below.

Thanks for passing along this draft.

Chaney and I will discuss this today and get you back any changes. I anticipate we'll have edits to the governor's quote. Let us know of anything else you need from our team.

Thanks David.

Here's a draft of our release. You will see that I roughed in quotes for Governor Haley. Obviously, we defer entirely to you all on that, I just thought I would throw something out there. Feel free to change or revise those quotes entirely.

Happy to discuss.

Thanks again.
