Hey y'all!

I know there is a list that we have used before to invite folks that participated in our past education conversations, as well as the Logan Elementary Education Celebration Event.

Can someone please see if they have it from Rachel's old records? I don't have access to them and nothing on the shared drive is proving consistent. Thanks for your help!

Hal

Do you have contacts for any of these? And Which ones?

I have the SC Charter School Alliance and the Public Charter School District, but that is it.
