All,

Hope this meeting was helpful today. I'd like to do these every 2 weeks for now, and then every week as we get closer to session. We can keep them at 30 minutes going forward. Let's have updates on all topics we discussed today and raise any new topics as needed.

I have attached a summary with our discussion points from today. **Please add to/edit** to the document so we can use this as our working document for our meetings and can provide to NH at our next policy/leg meeting.

FYI – I will also start full staff meetings on Monday at 10:00am starting next week.

Thanks!
