Gov. Haley,

I come to you in a desperate time in our country. I'm doing what I can to be a law abiding citizen. I've lived here all my life. Had some bad times before but that's another story. You've seen all of the evil that's taking place here today. We only expect it to get worse. I really want to protect our country and my family. If there's room in your heart to expunge my record, I would be unbelievably grateful. I just want to protect my family from evil doers.

Sincerely,  
Timmy Headden
